Gentlemen -I take great pleasure in adding mine to the mass of testimony in favor of that invaluable Cough Remedy—Dr. Wistar's Balsam of Wild Cherry. During the past winter my wife was affected with a severe cough and inflammation of theirings. After suffering severely for many days, Wistar's Balsam was recommended, a trial of which gave homediate and permanent relief. I have known of the Balsam having been used in cases of Asth-ma, with the most favorable results. I am sure that if the community were as well acquainted with the merits of this Great Remedy as I am, you would be unable to supply the demand. I would advise all who suffer from Coughs, Colds, &c., to give this medicine an early and thorough trial.
